Visitors to Canada Insurance Standard Plan and Enhanced Plan

The Standard Plan is **our** comprehensive benefit plan that excludes **pre-existing medical conditions**. The Enhanced Plan is **our** comprehensive benefit plan with enhanced coverage for **stable pre-existing medical conditions**.

This document becomes a valid policy when an application or other required forms have been duly completed, the required premium has been paid, and **you** have received a **policy confirmation**.

Read **your** entire policy carefully and pay particular attention to those words or phrases in bold type. Any word or phrase indicated in bold type is a defined term. Please review the Definitions section of the policy.

Your policy provides certain benefits during **your** insured visit to Canada. However, all insurance policies contain coverage limitations, exclusions, conditions, and other terms that may limit the reimbursement to which **you** are entitled.

GENERAL INFORMATION AND ELIGIBILITY

You are not eligible for coverage under this policy if:

- **you** are travelling against the advice of a **physician**;
- **you** have been diagnosed with a terminal illness with less than two (2) years to live;
- **you** have been diagnosed with or received **treatment** within the last two (2) years for pancreatic, lung, brain, or liver cancer; or any type of cancer that has spread from one part or organ of the body to another (metastatic cancer);
- **you** have had or are waiting for an organ or bone marrow transplant (excluding corneal transplant);
- **you** have a kidney condition requiring dialysis;
- **you** have used home oxygen during the 12 months prior to the date of application; and/or
- **you** reside in a nursing home, other long term care or rehabilitation centre.
- **you** are **age 86** or older.

We reserve the right to decline any application.

One or more persons may be insured under one policy. However, the **effective date** and **expiry date** must be identical for all applicants. Each applicant must pay their appropriate individual premium unless **family** rates apply.

Be sure to review the **waiting period** definition to determine if there is any time that **you** will not be reimbursed for expenses related to any sickness manifesting during that time.

Monthly Payment Plan

The Monthly Payment Plan is restricted to:

- an applicant who is either applying for or holds a valid Temporary Resident, Work or Student Visa, or other visitor visa issued by the government of Canada
- when the issuance of such visa is conditional on the purchase of mandatory medical insurance.

A minimum Coverage Period of 365 days and a minimum Aggregate Policy Limit of \$100,000 must be purchased. Additional cancellation restrictions as well as other terms, limitations and conditions will apply as stated in **your** Monthly Payment Authorization Form and in the sections of this policy highlighted by a red outlined box.

The Enhanced Plan or The Standard Plan

The Enhanced Plan is automatically provided to **you** under this policy if **you** satisfy the Eligibility requirements and if **you** are **age 54** or under.

If **you** are **age 55** to **85**, this coverage is available to **you** if **you** truthfully and accurately answered "No" to all questions on the Medical Declaration and paid the appropriate premium for the Enhanced Plan.

If **you** are **age 55** to **85** and answered "Yes" to any question on the Medical Declaration, **you** are eligible to purchase the Standard Plan.

Applicants age 86 and over are not eligible for these plans.

Your Coverage Starts

Coverage starts on the **effective date**.

If **you** purchased **your** coverage after **your arrival date**, a **waiting period** may apply. Refer to the definition of **waiting period** in the Definitions section of this policy.

If **you** are arriving prior to the **effective date** shown on **your policy confirmation**, coverage does not start until this **effective date** or until we receive proper notification to change **your effective date**. A **waiting period** will apply if **you** have already arrived and request a date change to an earlier **effective date**.

If **you** will arrive later than **effective date** shown on **your policy confirmation**, **you** must contact 21st Century prior to this **effective date** to request a date change. If notification of late arrival is received after the **effective date**, there will be no refund for the premium paid for coverage between the **effective date** shown on **your policy confirmation** and the date we receive **your** request for the date change.

For any approved date change, a revised **policy confirmation** will be issued.

At no time will we advance **your** original **effective date** more than two years from the original **effective date** **you** selected when the policy was issued. At the end of two years from **your original effective date**, if **you** do not have a scheduled **arrival date**, the policy must be cancelled. Notification of cancellation will be sent to the last known mailing and email addresses and/or we will call **you** at the phone number on file. **Your** agent who sold **you** the policy will also be notified. **Your** premium will be refunded less a \$25.00 processing fee.

If **you** are purchasing coverage to extend **your** trip, **you** will receive a new **policy** with **policy terms** starting on the **effective date** stated on **your policy confirmation**.

If **your** policy was purchased under the Monthly Payment Plan, coverage does not start until the policy is **activated**. Upon successful **activation** of **your** policy, coverage starts on the **effective date** shown on **your policy confirmation**. If **you** activate **your** policy after **your** actual arrival date, a **waiting period** will apply.

If **you** have not activated **your** policy within two years of the original **effective date** shown on **your policy confirmation**, the policy must be cancelled. Notification of such cancellation will be sent to **you** last known mailing and email addresses and/or we will call **you** at the phone number on file. **Your** agent who sold **you** the policy will also be notified. **You** are requested to confirm receipt of this notification. Upon **your** confirmation, **your** deposit premium less the \$50 Policy Fee will be refunded. If there is no response from **you** within 30 days, **your** deposit premium and Policy Fee will be non-refundable.

Your Coverage Ends

Coverage ends on the **expiry date**. Please see the Definitions section to determine the **expiry date**.

Side-Trips Outside of Canada

This insurance provides coverage when **you** are travelling in any other country, excluding **your country of origin**, subject to all the **policy terms**.

To be reimbursed for eligible costs:

- a) **you** must have paid the required premium for those trip days which are prior to **your** arrival to Canada and/or after **your** departure from Canada; and
- b) **you** must be continuously insured under a 21st Century Visitors to Canada policy or consecutive policies with no gaps in coverage; and
- c) the maximum number of combined days **you** can be covered in any other country before, during or after **your** visit to Canada must not exceed 30 days in total within a 365-day period; and
- d) **you** must be in Canada or **you** must have a planned insured visit to Canada for no less than 51% of the overall time that **you** will be insured with us.

If **you** are insured with us for more than 365 consecutive days with no gaps in coverage, we will permit a maximum of 30 days in each subsequent 365-day period for side-trips.

Proof of all travel dates will be required in the event of a claim.

During **your** coverage period, if **you** take a side-trip outside of Canada that is longer than that permitted in this policy, **your** coverage will be suspended for the remainder of **your** side-trip but **your** coverage will not be terminated. When **you** return to Canada, **your** coverage will resume and continue

up to the **expiry date** shown on **your policy confirmation**. We will not reimburse **you** for insured services and/or any other expenses arising from any sickness, disease, symptom or injury that presented, recurred or was treated during any such suspension of coverage.

Extra Injury Coverage

If **you** purchased the aggregate policy limit of \$100,000, **your** policy includes an additional \$50,000 coverage for **insured services** that result from an **injury**. Any portion(s) of **your** claim(s) related to sickness or disease will continue to have a maximum of \$100,000 less any **injury**-related expenses paid.

Insuring Agreement

If, between the **effective date** and the **expiry date**, **you** suffer an unexpected **emergency** sickness or **injury** which results in **you** paying for or incurring costs for **insured services**, we will reimburse **you** or **your** designated assignee for such eligible expenses up to the aggregate policy limit shown on the **policy confirmation** less any applicable **deductible amount**, and subject to the **policy terms**.

INSURED SERVICES

Subject to the **policy terms**, we will reimburse **you** for eligible expenses incurred by **you**, that are in excess of any other sums which **you** are legally entitled to recover from any health insurance plan or any other valid and collectible policy of insurance and **your deductible amount**, for:

1. **Expenses to receive emergency medical attention: Reasonable and customary charges** for medical care received from a **physician** in or out of a **hospital**, the cost of a hospital room (semi-private room when available or an intensive care unit when medically necessary); tests that are needed to diagnose or learn more about **your** condition; and drugs that are prescribed for **you** and are available only by prescription from a **physician**. Follow-up visits are covered until the attending **physician** or **our** medical advisors declare the end of the medical **emergency**. **Note:** This policy does not cover cardiac catheterization, angioplasty, and/or cardiovascular surgery including any associated test(s) or charges, magnetic resonance imaging (MRI), computerized axial tomography (CAT) scans, sonograms, ultrasounds or biopsies unless such services are approved in advance by the Assistance Centre.

In no event will we pay for the cost of a coffin or urn. This benefit must be authorized and arranged by the Assistance Centre.
7. If **your** treating **physician** and **our** medical advisors recommend that **you** return to **your country of origin** because of **your emergency** or after **your emergency treatment**, we will pay for one or more of the following:
 - the extra cost of an economy class fare via the most cost-effective itinerary;
 - a stretcher fare on a commercial flight via the most cost-effective itinerary, if a stretcher is medically necessary;
 - the return economy class fare of a qualified medical attendant via the most cost-effective itinerary to accompany **you**, and the attendant's reasonable fees and expenses, if this is medically necessary or required by the airline; or

9. up to \$300 for the immediate relief of acute dental pain not caused by a direct blow to the face and for which **you** have not previously received **treatment** or advice.
10. obtaining **hospital**, medical or **health-care practitioner** records, or a medical report from a **physician** or **health-care practitioner** provided we request the record or report. Under no circumstances will we reimburse **you** for the cost of completing the claim form.

ACCIDENTAL DEATH AND DISMEMBERMENT

Under Accidental Death and Dismemberment we will cover the following benefits:

- i) Up to \$25,000 if an **injury** causes **you** to die, to become completely and permanently blind in both eyes, or to have two of **your** limbs fully severed above **your** wrist or ankle joints, within 365 days of the accident.

- ii) Up to \$12,500, if an **injury** causes **you** to become completely and permanently blind in one eye, or to have one of **your** limbs fully severed above **your** wrist or ankle joint, within 365 days of the accident.

If **you** have more than one **injury** during **your** trip, **we** will pay the applicable insured sum only for the one accident that entitles **you** to the largest benefit amount.

In addition to the other Exclusions and Limitations, Accidental Death and Dismemberment benefits are not payable if **your** death or **injury** results directly or indirectly from:

1. Piloting an aircraft, learning to pilot an aircraft, or acting as a member of an aircraft crew;
2. An illness or disease, even if the proximate cause of its activation or reactivation is the result of an **injury**.

If **your** body is not found within 12 months of the accident, **we** will presume that **you** died as a result of **your** injuries. Death benefits will be payable to **your** estate. Accidental Death and Dismemberment benefits are in excess of the aggregate policy limit.

GENERAL CONDITIONS

Coordination of Benefits

This policy is intended to provide benefits in excess of those provided by any health insurance plan or any other valid collectible policy of insurance.

If **you** have other coverage, **you** must first seek reimbursement for the **insured services** from such insurance plan or such policy and **you** may only submit a claim for reimbursement of **insured services** under this policy after the other insurer has assessed **your** claim. In submitting a claim for reimbursement of **insured services**, **you** must provide **us** with the other insurer's written assessment of **your** claim submission.

Loss of Coverage

If **you** have an **emergency** covered under this policy, and **our** Assistance Centre determines that **you** are able to travel, **we** reserve the right to transfer **you** to **your country of origin**. If **you** choose not to return, **you** will no longer be covered for any **insured services** under this policy. Any expenses incurred after **you** choose not to return will not be covered and will become **your** sole responsibility.

90-Day Provision

If **you** are advised by **our** Assistance Centre that **your emergency** has ended, and **you** are not required to return to **your country of origin**, **you** will have no further coverage under this policy for any **insured services** that are directly or indirectly related to ongoing **treatment**, recurrence or complication of that medical condition. However, if **your** claim is deemed to be payable under this policy, subject to the other terms, conditions and exclusions of this policy such medical condition will be covered again in the event of a subsequent **emergency** if, in the 90-days prior to that subsequent **emergency**:

- **you** have not had any recurrence, new symptom(s) or any complications;
- existing symptom(s) have not become more frequent or severe;
- a **physician** has not determined that the medical condition has become worse;
- no test findings have shown that the medical condition may be getting worse;
- a **physician** has not provided, prescribed, or recommended any new medication, or any **change in medication**;
- a **physician** has not provided, prescribed, or recommended any new **treatment**, or any change in **treatment**;
- there has been no hospitalization or referral to a specialist or specialty clinic;
- a **physician** has not advised further testing; and
- there has been no testing for which results have not yet been received.

Coverage Period

This policy provides coverage for losses arising from a sudden and unforeseeable medical **emergency** occurring between **your effective date** and **expiry date** as shown on **your policy confirmation**. Coverage will not be issued for more than 365 days at a time. However, **you** may purchase a new policy if **you** require insurance for more than 365 days.

If **you** have opted to pay **your** premium under the Monthly Payment Option, **you** can choose to upgrade **your** Coverage Period on the Issue Date from one full year (12 months) to two full years (24 months).

Aggregate Policy Limit

The aggregate policy limit **you** purchased is the maximum we will reimburse **you** regardless of the number of **insured services** received by **you** during the Coverage Period. If **you** purchased a two-year Coverage Period, then the Aggregate Policy Limit is fully reinstated on day 366 of **your** Coverage Period. If **you** are insured under more than one policy with 21st Century and/or underwritten by **us**, **our** liability will not exceed **your** actual expenses and the maximum **you** are entitled to is the largest aggregate policy limit available to **you** in any one policy.

Benefit Limits

Maximum limits in this policy are per insured per policy, unless otherwise specified. If **you** purchased a two-year Coverage Period, all benefit limits are fully reinstated on day 366 of **your** Coverage Period.

Continuing Treatment

The coverage provided under this policy for any ongoing **treatment**, recurrence or complication relating to the **emergency** for which **you** have already received **emergency treatment** during the Coverage Period, will terminate when the first of these events occurs:

- a) the Assistance Centre has determined that **your emergency** has ended (See Exclusion #18);
- b) the aggregate policy limit has been exhausted;
- c) **we** notify **you** that coverage has been terminated under the Loss of Coverage provision.

Any follow-up appointment that is scheduled or required after the **expiry date** of the policy must be pre-approved by the Assistance Centre and will only be considered for reimbursement if the initial **emergency** is reported to the Assistance Centre prior to the **expiry date** and if that initial **emergency** is a payable claim; otherwise, notwithstanding any of the above, coverage terminates on the **expiry date**.

GENERAL PROVISIONS

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

Automatic Extension

If **you** are unavoidably delayed on **your** scheduled return to **your country of origin**, through no fault of **your** own, coverage will automatically be extended beyond **your expiry date**:

- for the length of **your** delay to a maximum of 72 hours if **your** common carrier is delayed; or
- if **you** are **hospitalized** on **your expiry date**. In this case, **we** will extend **your** coverage during the **hospitalization** up to a maximum of 365 days or until, in **our** opinion, **you** are stable for discharge from the **hospital** or for evacuation to **your country of origin**, whichever is earlier, and for up to five (5) **days** after discharge from the hospital; or
- if **you** have a medical **emergency** that occurs within the 5 days prior to **your expiry date** that does not require **hospitalization** but prevents travel as confirmed by a **physician**. In this case, **we** will extend **your** coverage for up to 5 days.

Material Facts

Any fraudulent act, misrepresentation or omission in the submission of a claim, or any misrepresentation or omission to disclose any fact material to the assessment of our risk during the application process, including **our** determination that **you** were ineligible for this insurance at the time of application, may void the coverage available under the policy against which the claim was filed.

Subrogation

If **you** suffer an eligible loss under **insured services** and in so doing acquire any right of action against another party, **we** have the right to proceed, in **your** name, but at **our** expense, against third parties who may be responsible for giving rise to a claim under this policy. **You** will cooperate fully before, during and after the Coverage Period.

Suit

No action or arbitration proceeding for the recovery of any claim under this policy shall be commenced more than one year after the date of **injury** or the date on which **you** first received any **insured services** arising out of unexpected **emergency** sickness or disease. If, under the law of the province or territory in which this policy was issued, such limitation period is invalid, then any claim shall be void unless such action or arbitration proceeding was initiated within the time permitted by the laws of such province or territory.

Arbitration

If **you** disagree with **our** claim decision, the matter will be submitted to arbitration under the arbitration law in the Canadian province or territory where **your** policy was issued. Legal action to recover a claim must start within 12 months of the date the insurance monies would have been payable if it were a valid claim and be undertaken before the courts of the Canadian province or territory where **your** policy was issued.

Medical Examination

To determine the validity of a claim under this policy, **we** may obtain and review medical records from **your** attending **physician(s)**, including the records from **your physician(s)** in **your country of origin**. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to **you** before **you** incurred a claim under this policy. In addition, **we** have the right, and **you** shall afford **us** the opportunity, to have **you** medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If **you** die, **we** have the right to request an autopsy, if not prohibited by law.

Statutory Conditions

The Statutory Conditions governing accident and sickness insurance, of the Insurance Act of the province or territory in which this policy was issued, are incorporated into and form part of this policy.

Premium Payment Requirement

We provide the insurance described in this policy in return for payment of the premium shown and subject to all the **policy terms**. This insurance will be in effect only if the premium is paid in full at the time of application and on or before the policy **effective date**.

If the incorrect premium is charged, or if any payment is rejected for any reason, or if any information or required forms are missing, **we** will either modify the Coverage Period or declare the policy void.

If you opted for the Monthly Payment Plan, this insurance will be and will remain in effect only if the premium is paid in accordance with the terms of this policy and the Monthly Payment Authorization Form which was completed and signed when the Monthly Payment Option was selected. **We** reserve the right to discontinue the monthly payment schedule and/or charge additional processing fees in the event that payments cannot be charged to the credit card **you** have provided as per the terms of the Monthly Payment Authorization Form.

Under the Monthly Payment Option an initial deposit equal to (2) two months of premium is payable at the time of application. A third month of premium is payable when the policy is **activated**. Thereafter, the **effective date** will establish the **premium due date** and monthly premiums must be paid in each subsequent month until the full policy premium has been paid or until **you** provide proof that **you** have returned to **your country of origin** (whichever is earlier).

If credit card charges are invalid or no proof of payment exists, 21st Century will immediately notify **you** of the failed payment and **you** will be given 30 days from the date the notice is mailed to pay the full monthly payment that failed and any other payments that have since become due. If 21st Century is unable to collect the outstanding premium(s) by the end of the 30 days, the policy will be terminated and all coverage will end on the paid-to date (the date to which the policy had been paid by the last monthly payment received). **You** will not be able to reinstate the policy. There will be no grace period permitted.

At no time will **we** pay or be liable for any claim that occurs when **your** policy has not yet been **activated** or has lapsed due to non-payment of premium regardless of whether the claim is presented before or after the date that **your** credit card payment failed or was declined. In other words, **we** are not liable for the payment of any benefits under this policy if payments are in arrears or if **your** policy was never **activated**.

If this policy is issued with only two monthly premiums paid, it is issued with a status of Pending in our records and is not **Activated** until the third payment is made. THERE IS NO COVERAGE UNDER THIS POLICY UNTIL THE POLICY IS ACTIVATED. **Activation** may require a new **policy confirmation** reflecting any changes to **your** coverage and/or premium. **Activation** authorizes 21st Century to immediately begin charging the remaining monthly payments to the applicable credit card until the full premium for 12 full months (or 24 full months if **you** purchased a two-year Coverage Period) has been paid or until 21st Century is appropriately notified that **you** wish to terminate **your** coverage for a valid reason.

If **you** have upgraded **your** Coverage Period to two years, the **Deductible Amount** will be reset on day 366 of your Coverage Period and will have to be paid again by **you** before **you** will be reimbursed for eligible expenses in year two. Regardless of the deductible selected, if **you** do not report a claim within 24 hours, **you** will be responsible for the first \$100 of any medical expenses we normally pay. This \$100 is in addition to any **deductible amount**.

There will be no **deductible amount** when a claim is a result of an injury. If **you** selected the Disappearing Deductible option, it will be shown on **your policy confirmation**. Regardless of the **deductible amount** selected, if **you** do not report a claim within 48 hours, in addition to any **disappearing deductible amount**, **you** will be responsible for the first \$100 of any medical expenses we would normally pay.

If **you** hold a multi-entry visa (such as a **PG-1 VISA** or an IEC Work Permit) and return to **your country of origin** without cancelling **your** policy, **your** coverage will be suspended while **you** are in **your country of origin** and will resume when **you** return to Canada (or other country as permitted under the "Side-Trips Outside of Canada" provision). REFUND OF PREMIUM OR CANCELLATION OF POLICY

Requests for premium refunds due to non-arrival can be submitted for consideration as long as this insurance has not been issued as part of the requirements necessary to obtain or maintain a visitor visa, in which case proof of visa refusal must be provided.

You can cancel **your** insurance and obtain a partial refund of the unused premium amount when **you** provide proof that **you** are covered under a **government health insurance plan**; or with proof of return to **your country of origin** provided that there has been no claim paid or denied.

If **you** are applying for a partial refund and a claim has been paid or denied, **you** may apply to have such claim(s) withdrawn. The amount of claim(s) paid will be deducted from the refund amount plus a file handling fee of \$300 per claim will also be deducted. A denied claim will be subject to a file handling fee of \$500 per claim. The file handling fee and any other adjustments will be deducted from any amount to be refunded.

Once any claim(s) has (have) been withdrawn to apply for a premium refund, no further expenses will be accepted for consideration under the policy, regardless of the date the expense was incurred.

Your written request to cancel this policy must be received within 60 days following the date **you** become eligible coverage under a **government health insurance plan** or **you** return to **your country of origin**. In no event will **we** back-date a cancellation to a date more than 60 days prior to the

date of receipt of your cancellation request. If **you** cancellation request is received more than 30 days following the date **you** returned to **your country of origin**, **we** will require a copy of every page of **your** passport to verify that **you** did not visit Canada between the date **you** returned to **your country of origin** and the date **you** submitted **your** cancellation request. If **you** leave Canada but spend time in a country covered under the Side-Trips Outside of Canada provision, **you** must advise 21st Century prior to exiting Canada if **you** do not want to be covered in that other country. Failure to notify 21st Century prior to your exit date may result in premium being retained to cover all or part of that side trip.

All refunds are subject to approval by 21st Century. Refunds will be credited to the same credit card used to charge the premium.

In addition, a \$25 policy administration fee will be applied to any refund or cancellation.

REFUND OF PREMIUM OR CANCELLATION OF POLICY IF YOU HAVE A MONTHLY PAYMENT PLAN

If **your** visa application is denied by the Government of Canada, or **you** formally withdraw **your** visa application and **your** coverage under this policy has not been **activated**, 21st Century will refund any premium paid. Proof of the denial or withdrawal of **your** application for a visa must be provided to 21st Century with **your** written request for a refund.

If the Government of Canada issues **you** an entry permit that is different than the one **you** applied for, **you** may request a refund of any premium paid or change from a monthly payment plan to payment in full as long as **we** receive **your** request prior to **your** entry into Canada. Proof of the change in entry permit will be required. Once **you** enter Canada, **your** deposit premium becomes non-refundable.

The \$50 Policy Fee for any cancellation of, or change from the Monthly Payment Option is non-refundable.

The two month deposit premium and the \$50 Policy Fee for the Monthly Payment Option are non-refundable in any circumstance where the entry permit is approved and issued by the Government of Canada.

The two month deposit premium and the \$50 Policy Fee for the Monthly Payment Option are non-refundable on any **activated** policy or policy that is terminated mid-term by **you** or **us**. Only full monthly premiums will be refunded; partial months will not be refunded.

After **you** have **activated your** coverage under this policy, subject to all other **policy terms**, **your** insurance will terminate on the date that:

- **you** return to **your country of origin** in the event of **your** death under Insured Service benefit #6, or following **emergency treatment** of your medical

condition under Insured Service benefit #7; or

- the Assistance Centre specified when advising **you** to return to **your country of origin** due to **your** medical condition, even if **you** choose to remain in Canada; or
- **we** receive proof that **you** are eligible and covered under a **government health insurance plan**; or
- **you** return to **your country of origin** and submit a written request to cancel **your** policy.

You can cancel **your** insurance and obtain a refund of the unused premium amount when **you** provide proof that **you** are covered under a **government health insurance plan**, or with proof of return to **your country of origin**:

- if there are more than 30 days between **your** termination date and **expiry date**, and
- as long as **your** written request to cancel this policy is received within 60 days following the date **you** become eligible for coverage under a **government health insurance plan** or **you** return to **your country of origin**. In no event will **we** back-date a cancellation to a date more than 60 days prior to the date of receipt of **your** cancellation request.

Your written notification must include:

- a copy of **your** return airline tickets and stamped passport or a copy of **your** boarding pass(es), and
- a statement saying that **you** will not report or submit any claims against this policy after **your** termination date.

If **your** cancellation request is received more than 30 days following the date **you** returned to **your country of origin**, **we** will require a copy of every page of **your** passport to verify that **you** did not visit Canada between the date **you** returned to **your country of origin** and the date **you** submitted **your** cancellation request. If **you** leave Canada but spend time in a country covered under the Side Trips Outside of Canada provision, **you** must advise 21st Century prior to exiting Canada if **you** do not want to be covered in that other country. Failure to notify 21st Century prior to **your** exit date may result in premium being retained to cover all or part of that side trip.

All refunds are subject to approval by 21st Century. A \$25 policy administration fee will be applied to any refund. Refunds will be credited to the same credit card used to charge the premium.

Once 21st Century has received **your** cancellation request, expenses with a date of service after the termination date will not be considered for reimbursement.

If **your** policy has more than one person identified as a Named Insured on the **policy confirmation** and one Named Insured requests an early cancellation while the other wants to remain in Canada, the remaining Named Insured must either purchase a new policy with the Monthly Payment Option or pay the full outstanding balance for individual coverage on their existing policy.
